The above referenced case is before this court upon the magistrate judge's recommendation that both defendants' Orangeburg County Sheriff's Department, Sheriff Leroy Ravenell and Lt. Stokes' Motion for Summary Judgment and plaintiff's Cross Motion for Summary Judgment be dismissed with leave to re-file.

This court is charged with conducting a de novo review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). However, absent prompt objection by a dissatisfied party, it appears that Congress did not intend for the district court to review the factual and legal conclusions of the magistrate judge. Thomas v Arn, 474 U.S. 140 (1985). Additionally, any party who fails to file timely, written objections to the magistrate judge's report pursuant to 28 U.S.C. § 636(b)(1)

waives the right to raise those objections at the appellate court level. United States v.

Schronce, 727 F.2d 91 (4th Cir. 1984), cert. denied, 467 U.S. 1208 (1984).¹ **No objections have been filed to the magistrate judge's report and recommendation.**

A de novo review of the record indicates that the magistrate judge's report accurately summarizes this case and the applicable law. Accordingly, the magistrate judge's report and recommendation is **AFFIRMED**, and defendants' Motion for Summary Judgment and plaintiff's Cross Motion for Summary Judgment are **DISMISSED** with leave to re-file.

IT IS FURTHER ORDERED that defendants Orangeburg County Sheriff's Department, Sheriff Leroy Ravenell, Lt. Stokes, and Director Willie Bamberg file a response to plaintiff's Motion to Compel (doc. no. 92) within ten days of the date of this order.

AND IT IS SO ORDERED.

NOTICE OF RIGHT TO APPEAL

The parties are hereby notified that any right to appeal this Order is governed by Rules 3 and 4 of the Federal Rules of Appellate Procedure.

¹In Wright v. Collins, 766 F.2d 841 (4th Cir. 1985), the court held "that a pro se litigant must receive fair notification of the consequences of failure to object to a magistrate judge's report before such a procedural default will result in waiver of the right to appeal. The notice must be 'sufficiently understandable to one in appellant's circumstances fairly to appraise him of what is required.'" Id. at 846. Plaintiff was advised in a clear manner that his objections had to be filed within ten (10) days, and he received notice of the consequences at the appellate level of his failure to object to the magistrate judge's report.
